ALMA MATER

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

FROM THE DEAN OF STUDENTS

As we begin another school year, we are grateful and pleased to have you as a member of this college community. It is our ardent hope that the months which you spend here will be deeply rewarding and fruitful both to you and all those associated with you in this grand adventure of the mind, hand and heart.

With a view to assisting you in making a healthy and creative adjustment to college life, this Student Handbook has been prepared. It represents the ripened thought and experience of your fellow students and it is offered to you with the high expectation that you will use it wisely and well. A careful reading and constant referral to its pages will most certainly make your road smoother and your stay amongst us more rewarding and enjoyable.

Rules and regulations or laws are utterly necessary for a civilized society. The laws of this college community are contained in the following pages. You may not agree with all of them and through the regularly established channels of Student Government, you are free to work for those changes which you feel desirable. However, so long as you are a member of this college community, you will be expected to comply with and live in harmony with these regulations. The Honor System is the vital blood stream of ali our relationships - student, Faculty and Administration - at Montreat-Anderson and basic to this system is your acceptance of the Honor System, the Honor Code and the Honor Pledge which you will find on the following pages.

The officers and members of the Student Government Association, the members of the Faculty and Administration join us in expressing the hope that this may be the best and most meaningful year of your life.

Howard Kester
Dean of Students

Carole Tyler
Associate Dean of Students

THE HONOR SYSTEM

Life at Montreat-Anderson College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

For this reason the students of Montreat-Anderson College have accepted the "Honor System", under which each student agrees to try to discipline his own life and to be ready to help all others to discipline their lives toward the goal of a community in which each member will merit trust and respect. It is in large part due to the acceptance of faculty and students of the Honor System as a way of life, that the "Spirit of Montreat" is a reality, not only on the campus, but wherever former Montreat students are found.

THE HONOR CODE

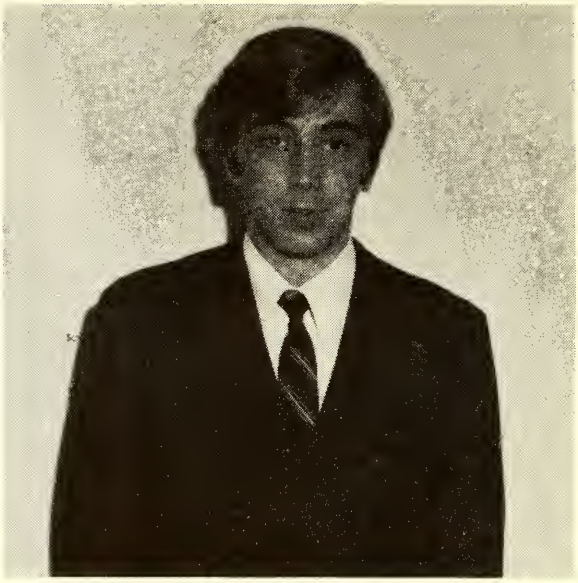
Under the Honor Code, the student is on his honor not to lie, cheat, or steal, and, if he does, he is on his honor to report himself within twenty-four hours to a member of the Honor Court. If he sees another student lying, cheating, or stealing, he is also on his honor to confront him by asking him to report himself to a member of the Honor Court, and, if he does not do so within twenty-four hours, he is to report him.

The Honor Code places upon you a dual responsibility. First, you are responsible to see that you conduct yourself in accordance with the Honor Code. Secondly, you also are responsible insofar as possible to see that your fellow students do likewise. This system places considerable responsibility for self government on the students themselves. This college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

THE HONOR PLEDGE

I PLEDGE WITH GOD'S HELP TO UPHOLD THE HONOR CODE OF MONTREAT-ANDERSON COLLEGE. I STATE MY ACCEPTANCE OF THE PRINCIPLES EXPRESSED IN THIS HONOR SYSTEM AND PLEDGE TO LIVE SO AS TO MAKE IT MEANINGFUL TO MYSELF AND TO THE COLLEGE COMMUNITY.

(See article 7, sec. 3 on SGA constitution for interpretation.)



Dear Students,

As a student representative, I would sincerely like to welcome you to Montreat-Anderson College. The coming year promises to be full of hard work and many rewarding experiences.

The Student Government Association is the most adequate means in which to channel our work and needs. Every member of the student body is a member of the S.G.A. You can play an active and important role in its activities. You are the vital ones, for student government cannot function without your ideas and full support. By revealing these ideas and lending full support, many advances and improvements can be made and can result in a more rewarding experience for all.

I challenge you all to take part in the S.G.A. and to look for responsible and rational solutions to your problems. Guard against apathy for that is one thing that can halt any progress we can make.

In closing, I would like to extend a personal invitation to all of you to speak with me about any problems or needs. I'm looking forward to working with you.

Sincerely,

Bob Blair, President
Student Government Association

Dear Students,

A new school year will be starting soon. It is my earnest hope that all of you will find and take advantage of the chances that Montreat-Anderson has to offer.

In any educational institution of today there must be certain rules and regulations for governing students. In the following pages of this handbook the rules are outlined. The majority of these rules are made by students in S.G.A. You may not agree with all rules and regulations but while you are at Montreat you must adhere to them.

When you receive your handbook please read and familiarize yourself with the rules of this college. But please pay special attention to THE HONOR SYSTEM, HONOR CODE, and THE HONOR PLEDGE. All three play a big role in your life here at Montreat. The HONOR SYSTEM here is one that works and one that is very effective in Montreat's judicial system.

I'm looking forward to working and serving you in the school year. Please feel free to talk to me any time about rules or the working of the court.

   14 for a 4-hour course
   will result in an automatic F on the course and official dropping of the course. The grade and dropping of the courses may be appealed to the Faculty Committee on Absences, by either the student or instructor. When, because of absences, a student is carrying less than 12 hours he shall be required to leave the college, subject to the Administrative Committee. Students who wish to have an absence excused must make the necessary arrangements within one week of the date when they return to college after having been absent. If arrangements are not made within one week, the absence will be officially regarded as an unexcused absence and it will be impossible to secure an excuse for it.
5. Class is officially in session unless a notice signed by the Academic Dean, the Registrar, or the Professor is posted.
6. Tardies will be left to the discretion of the instructor. If the instructor does establish a policy, he must present it in writing to the class at the beginning of each semester.
7. If a student has more than the allowed number of unexcused absences, his semester grade may be lowered 2 points for each excessive unexcused absence.
8. Second semester sophomores with an overall 4.00 average may have absences limited only by 1A and B and 4 above.

POINT AVERAGE

1. Quality points are assigned according to the following system:
   1 Semester hour with a grade of A counts 4 points.
   1 Semester hour with a grade of B counts 3 points.
   1 Semester hour with a grade of C counts 2 points.
   1 Semester hour with a grade of D counts 1 point.
   1 Semester hour with a grade of F counts 0 points.
2. Quality point average is determined by dividing the number of quality points by the number of semester hours attempted. For example: 3 semester hours of B (9 quality points), 6 semester hours of C (12 quality points), 3 semester hours of D (3 quality points), and 3 semester hours of F (0 quality points) gives a quality point average (QPA) of 1.6.

GRADING PERIODS

1. Official grades, to be recorded on the permanent record of the student, are issued at the end of each semester.
2. At mid-semester the faculty reports the grades of all students making D or F at that point in the semester. Unless a report is made, a student is assumed to be making a grade of C or higher.

3. To be eligible to represent the college in intercollegiate sports, in choral groups, or in any public performance off campus, a student must have passed at least 10 hours of college work with a grade point index of 1.5.

5. For participation in other activities such as intramural sports, on campus club programs or club activities which do not conflict with the student's class schedule, there will be no eligibility requirements.

CHEATING, STEALING AND LYING
(Action taken by Honor Court)

1. Under the Honor Code, you are on your honor not to cheat, steal or lie and if you see another student doing so, you are on your honor to report him to the Honor Court. (See the statements on the System, the Honor Code and the Honor Pledge on pages 5 and 6 of this handbook and Article VII, Section 3 or the SGA Constitution.)
2. The Honor System at Montreat-Anderson College is an integral and central aspect of life in this community. Certainly it is commonly recognized that lying, cheating and stealing are wrong and their opposites are right. This applies particularly in the area of academic honesty and integrity. This college takes the position that any time a student hands in work or does any work on which he puts his name such work should be strictly his own. He is, in fact, saying that it is his own when he signs his name to it. The conviction is here affirmed that any form of using material which is not authorized in taking any kind of test, whether it affects the student's grade or not, writing a paper, answering study questions or doing any other assigned work to which a student attaches his name must be regarded as cheating.

   In summary, the following general guidelines regarding academic honesty apply:

   Each student's work shall be the product of his own effort.

   Appropriate acknowledgment of the work of others must be given when it is incorporated into the writing of a paper or assignment.

   Collaboration in the preparation of written work and preparation for tests may take place only to the extent approved by the instructor.
3. Violation of the Honor Code is a major offense. Such cases will be handled by the Honor Court and may, upon recommendation of the Honor Court and concurrence of the College Administration, result in suspension, expulsion, requirement to withdraw or disciplinary probation. (See Article VII, Section 4E of the SGA Constitution.)

RESPECT FOR PROPERTY
(Action by Interdormitory Council)

1. There are privately owned cottages at Montreat and buildings owned by Boards and Agencies of the General Assembly. Students are expected to respect the property rights of others. Any student found guilty of trespassing will be subject to disciplinary action, by both civil and college authorities.
2. Each student residing in a college dormitory will be required to make a $20 deposit toward any damages occurring during his stay in the dormitory. If any damages occur to the interior of his room, the repair cost will be taken directly out of his deposit. When damage is done to any part of the dormitory other than the interior of the student's room, the person(s) responsible for the damage will be required to pay the damage. If it cannot be determined who is responsible, the cost of the repairs will be taken from the corporate fund of all students on the hall or the residence unit involved. Any balance remaining at the end of the year will be refunded to the student. If the $20 is not sufficient, additional charges will be made by the Dormitory President and the college Business Manager.
3. Any student found guilty of vandalism will be required to pay for all property damage he has caused. In addition, he will be required to pay a fine equal to one-half cost of the damage but not less than $5 and will be placed on disciplinary probation for the remainder of the semester in which the offense occurs, or one month whichever is longer. Parents may be notified at the discretion of the administration.

2. Drinking or being in possession of alcoholic beverages in the dorms, on campus, or being under the influence on campus, to the point of drawing attention to oneself by excessive noise, obscene language, infringing on the rights of others, or other visible signs of intoxication, will result in a minimum of Disciplinary Probation or a maximum of Suspension.

GENERAL BEHAVIOR
(Action by Interdormitory Council or Honor Court)

1. The college reserves the right to exclude from the college any student whose character and morals are not consistent with the ideals of the college, or whose influence is detrimental to the spirit of the college.
2. The behavior of any member of the student body of the college reflects upon the student body and the college as a whole. For this reason, the college requires that students conduct themselves at all times in such a way as not to discredit or disparage the good names of the student body and the college. Behavior unbecoming to the standards of Montreat-Anderson College will be reviewed for suspension or dismissal or other action deemed necessary by the Honor Court.

Any type of physical or verbal punishment, humiliation, or intimidation by any student of another is forbidden.

New organizations (i.e., one not included in the list in Clubs and Organizations) may be authorized only by the Administrative Committee, to whom a written statement of purpose and procedure must be presented. The Administrative Committee will appoint a sponsor after consultation with the students involved, if the organization is approved.

RELATIONS BETWEEN THE SEXES
(Action by Social Standards Committee in Dorms)

It is recognized that sex is one of the most powerful and creative aspects of the human nature God has given us. Believing that understanding sex and learning to discipline oneself so as to control rather than be controlled by this basic drive is a fundamental element in development into mature manhood or womanhood, the college has a deep concern for students' attitudes and behavior in this regard. The college's purpose in expressing this concern is to use its influence to help students develop the self-discipline and self-control which characterize responsible full manhood and womanhood. Recognition of the value and worth of others as well as oneself, as persons which refuse to exploit human nature, including sex, for the fleeting satisfactions of the moment. The sexual relationship, within marriage only, may be the means through which the deepest human relationship is experienced.

Although it is recognized that public display of affection can at times be genuine and meaningful, excessive display of affection can be offensive. Out of a concern for the reputation of the college, and a concern for the total public atmosphere and spirit in which we live, the college requires the students' cooperation in avoiding those forms of public and private expression of affection which can legitimately be regarded as being excessive or in bad taste.

It is obvious that the line between excessive and acceptable, between good and bad taste in this regard is not always easy to define; nonetheless, some guidance is needed in the area of relations between the sexes. Our attitudes about this critical area of life can have tremendously important negative or positive implications for our development as persons. Therefore the Student Government Association, in cooperation with the Deans of Students, is expected to establish guidelines and to recommend procedures to implement this regulation.

MARRIAGE
(Action by the Administrative Committee)

Students who marry during the college year without notifying the Administration will be subject to dismissal.

Upon arrival every guest is to fill out a "Guest Card" at the desk and give it to a member of the Dormitory Council, after which the card will become a permanent record of the Dean of Students office. There will be no charge for guests spending Friday and Saturday nights, but there is a charge of fifty cents (50c) for every week night, and a negligence fee of two dollars ($2.00) for failure to fill out a "Guest Card".

REGARDING STUDENT AUTOMOBILES, ETC.
(Action by Office of Dean of Students)

All student automobiles or other motorized vehicles (whether operated by resident or day students) must be registered in the Dean of Students Office. Upon completion of the forms, the student will be issued the necessary operating permit. Vehicles without this permit will be considered illegal and removed from the premises at the owner's risk.

In issuing a student permit, the College reserves the right and the student agrees to allow his car to be searched by the Montreat Police, Dormitory President or any other authorized officer of the College. Refusal to allow a car search will result in the revocation of the student's right to operate a car on campus.

1. Entering Freshmen are not permitted to have cars in their possession during the first semester except under unusual circumstances and with the approval of the Dean of Students. Provided that a freshman has a 2.0 average for the first semester, if he receives permission from the Dean of Students before bringing the car on campus, he may have a car the second semester.
2. Sophomores with a 2.0 overall average and a good citizenship record may have cars on campus provided they secure permission from the Dean of Students.
3. These regulations are based on the assumption that most student behavior in college is governed by the good judgment and common sense of the student. The following regulations are intended to provide the minimum regulations necessary for successful community life and to give each student maximum opportunity for successful adjustment to college life.

A. Number of weekends allowed away from college

Absence from class for sickness or injury is excused only when certified by the college nurse. An excused absence will not be given when the student does not notify the infirmary until after the class has been missed.

House counselors may notify the infirmary that a student is ill in the dormitory. The college nurse may decide if it is necessary for the student to come to the infirmary.

All appointments with physicians should be made through the infirmary. The college physician will treat most illnesses and injuries of students. He will refer students to specialists in Asheville when necessary. There is a charge for an office visit.

Any emergency should be handled by the college nurse. She will make arrangments for the student to be taken to the emergency room of Memorial Mission Hospital in Asheville. She will also send the necessary insurance forms with the student to the hospital.

There are no regular visiting hours for students in the infirmary. Roommates may bring mail and other items to the student with permission of the nurse.

Clinic hours are set and posted at the beginning of the school year. Students are requested to come to the infirmary during these hours unless the condition develops at other times. Please call the infirmary if it is necessary to come after 10:00 P.M. The infirmary is locked after that hour.

MONTREAT STORE

The general store known as "Mr. Hinkle's", is open at 8 a.m. until 5:30 p.m. each day. Supplies of all kinds may be purchased here.

MOORE CENTER
(College Union)
(Known to students as "The S.U.")

This center and its adjoining facilities is the social, recreational, cultural and service center for the entire college community. As the College Union, Moore Center is the nerve complex for a wide variety of programs designed to bring the many diverse elements of college life into a properly integrated perspective. The Union brings together concerned persons involving them in programs of meaningful and purposeful activity. It is likewise a training ground for learning to work with others toward a common goal, which is fundamental in developing effective

community leaders. In short, it is a living organism created for the purpose of bringing into being and sustaining a dynamic community of learners and for the development of integrated persons.

Moreover, the union is an invaluable tool for shaping a feeling of community solidarity and the individuals' sense of social responsibility. It is a natural Laboratory for living and learning where all who will may have a part in developing a mentally, physically and spiritually liberating community.

Moore Center will be open each afternoon and evening for snacks, bridge, or just good conversation. There is also a jukebox.

BOOK STORE

Textbooks, paperbacks of general interest, greeting cards, supplies, gym outfits, Montreat-Anderson shirts, etc., can be purchased in the centrally located Book Store in Moore Center which is open from 12:00-3:30, and more often at the beginning of the semester.

POST OFFICE

The Montreat Post Office is located in the shopping center near the grocery store and laundry. This building houses all the mailing for Montreat, since it is a United States facility. Students rent post office boxes here, purchase postage and money orders. Since mail does not go to a dormitory or a building in Montreat, it is absolutely necessary to rent a box and have all mail addressed to that box number, Montreat, North Carolina, Zip Code 28757. So that students may have a permanent mailing address, they are asked to rent a box prior to registration for college.

Post Office Hours

	Monday - Friday	Saturday	Sunday
Outer Lobby	7:30-9:00	7:30-9:00	Closed
Service Desk	8:30-5:00	8:00-12:00	Closed

The post office is closed on Sundays.

PRIVATE PROPERTY

There are privately owned cottages in Montreat and buildings owned by Boards and Agencies of the General Assembly of the Presbyterian Church.

Students are expected to respect the property right of others. Any student found guilty of trespassing or of vandalism on such property will be subject to disciplinary action by the Interdormitory Council or by the Honor Court of Student Government and by civil authorities. (See College Regulations, Respect for Property.)

SCHOOL CARS

School cars may be used, if available, for the following purposes only:

   Take food to infirmary

   Take students to school physician and/or hospital.
   (The initial trip for each accident or illness will be provided at no charge to the student.)
2. Official school functions away from campus as designated, in writing in advance, by the instructor or sponsor. This notice must be sent to the Business Office. (Fees for these trips are Group Rate.)
3. Individual student transportation to and from airport, train, and bus stations.

(These will be made if school transportation is available, otherwise, students must procure their own way to and from these destinations.)
(Requests must be made at least twenty-four hours in advance.)
Keys to all College cars are to be kept in the Business Office and only authorized drivers will be permitted to drive them.
Fees must be paid in advance for use of cars. **Personal use of College cars is prohibited.**

SELF-HELP SCHOLARSHIPS

Self-help scholarships are granted for the mutual benefit of the student and the college. If a student is found to be careless in his work obligation, he will be given a warning, and if the carelessness continues, he will be required to forfeit his scholarship.

If a student finds it necessary to be absent from his work obligation, he must get permission from his supervisor beforehand and must secure a substitute who has been approved by the supervisor.

In case of sickness, either the resident counselor or the person in charge of the infirmary must be asked to notify the supervisor, before the hour when work is due to begin, of the student's inability to work.

STUDENT BANK

The bank is located in the Business Office of the College for the convenience of the students. **Students are advised to keep their money here rather than in their rooms.**

If books are to be purchased from funds in the bank, it is suggested that $50 first semester and $30 second semester be deposited especially for this purpose, in addition to what will be needed for incidental expenses during the year.
